

**“ING. FRANCESCO MULAZZI”  
SCHOLARSHIP**

**FOR STUDENTS ENROLLED IN THE FIRST YEAR OF THE MASTER’S DEGREE IN MECHANICAL  
ENGINEERING ( LM-33) OF THE POLYTECHNIC OF MILAN  
ACADEMIC YEAR 2020-2021**

- CLAUSE 1** Mandelli Sistemi SpA, in memory of Ing. Francesco Mulazzi, former Mechanical Design Manager of its Piacenza plant, is making a competition announcement for **one** scholarship for the students of the Polytechnic of Milan who :
- have enrolled in the A.Y. 2017/2018 in the Three-Year Mechanical Engineering Degree (L-9) (Piacenza and Bovisa Polytechnic branches );
  - will get their Three-Year Mechanical Engineering Degree (L-9) (Piacenza and Bovisa Polytechnic branches ) within September 2020;
  - will enroll for the first time for the A.Y. 2020/2021 (first semester) in the Master’s Degree in Mechanical Engineering (LM-33) of the Polytechnic of Milan;
  - will enroll for the A.Y. 2021/2022 in the second year of the aforementioned course;
  - will hand in, in the A.Y. 2021/2022 and within the expiry date set by the academic calendar for the presentation of the study plan, one of the following Specialization PSPAs : Machine Tools and Manufacturing Systems; Production Systems; Mechatronics and Robotics; Advanced Mechanical Design; Advanced Material and Manufacturing.

The sum of the scholarship will be equal to € 5.000,00 (before tax) and will be designated as follows:

- € 2.000,00 within 5 days from the assignment of the scholarship (Clause 4), according to a ranking which will take into consideration the criteria as per the following Clause 4;
- € 2.000,00 within 5 days from the enrolment for the A.Y. 2021/2022 in one of the Specialization PSPAs above mentioned;
- € 1.000,00 upon graduation as long as it is during Academic Year 2021/2022.

The winner will also be given the possibility of carrying out a 6-month training internship within the company after graduation.

- CLAUSE 2** The appropriate competition application form, which is available at the following web addresses <http://www.mandelli.com/it/news/#news>, <http://www.polo-piacenza.polimi.it/en/to-be-admitted/scholarships/> and <https://www.polimi.it/en/current-students/tuition-fees-scholarships-and-financial-aid/scholarships-and-graduation-awards-non-dsu/> must be sent according to the terms indicated in Clause 6 to the following address: [borsadistudio-fmulazzi@mandelli.com](mailto:borsadistudio-fmulazzi@mandelli.com).

The candidate must declare the following under his/her own responsibility:

- 1) Complete personal data and Fiscal Code;
- 2) E-mail address to be used for the competition. Should any changes be made to this e-mail address notice must promptly be given to the following: [borsadistudio-fmulazzi@mandelli.com](mailto:borsadistudio-fmulazzi@mandelli.com);
- 3) Possession of the Three-Year Mechanical Engineering Degree ( L-9 ) of the Polytechnic of Milan earned according to the criteria as per Clause 1;
- 4) Intention of enrolling for the A.Y. 2021/2022 in one of the Specialization PSPAs as per the above mentioned Clause 1;
- 5) Authorisation for the treatment of personal data in conformity with legislative decree 196/2003 and with GDPR 679/16 (art. 13) by using the attached application form.

- CLAUSE 3** The following documents must accompany the application form:
- 1) curriculum vitae;
  - 2) self-certified document stating the possession of the Three-Year Degree in Mechanical Engineering at the Polytechnic of Milan (L-9) indicating the date and the graduation mark;
  - 3) self-certified document stating the enrolment in the first year of the Master's Degree in Mechanical engineering at the Polytechnic of Milan ( LM-33 ) for the A.Y. 2020/2021;
- The application form must be sent together with the other documents in a single envelope. If it is received without the above-mentioned documents, the candidate will be automatically excluded.
- CLAUSE 4** The scholarship will be assigned according to the following criteria:
- a) declaration stating the student's intention of enrolling in one of the Specialization PSPAs as per Clause 1 for the A.Y 2021/2022 ( sine qua non condition )
  - b) graduation mark related to the Three-Year Degree in Mechanical engineering (L-9) earned within September 30, 2020 ( max. 75 points );
  - c) curriculum vitae (max 25 points).
- Candidates who already benefit from other scholarships or similar grants will not be excluded. In case of equality, the Board will call the candidates for an interview further to which a decision will be made. The Board will retain the right to eventually summon the candidate it deems appropriate, for a follow up or clarification regarding the curriculum vitae.
- The Board will officially inform about the scholarship assignment within November 15, 2020. The Board's decisions will be incontestable.
- CLAUSE 5** The scholarship will be assigned by a Board consisting of:
- no. 3 Mandelli Sistemi SpA representatives (among whom the CEO who will also be acting as Board President and a member of the Mulazzi Family);
  - no. 1 representative from Polytechnic of Milan Piacenza Branch;
  - no. 1 representative from UCIMU-SISTEMI PER PRODURRE
- The Board will meet in Piacenza, c/o Mandelli Sistemi SpA in via Caorsana, 35.
- CLAUSE 6** The scholarship application forms must be presented by 31<sup>st</sup> October 2020.  
At a later date, the winner will also be required to send the following documents to [borsadistudio-fmulazzi@mandelli.com](mailto:borsadistudio-fmulazzi@mandelli.com):
- Copy of the study plan for the A.Y. 2021/2022 indicating the choice for one of the Specialization PSPAs as per Clause 1, without which the second tranche of the scholarship will not be given;
  - Certificate of the Master's Degree achieved in the A.Y. 2021/2022, without which the candidate will be not be taken into consideration for the last tranche of the scholarship ( Clause 1 ).
- CLAUSE 8** Should the winner turn down the scholarship or should he/she be incompatible, the scholarship will be assigned to the next in line.

Piacenza, June 12, 2020
