- enrolled on the degree course (equivalent to a Bachelor of Science) in the a.y. 2017/2018 and achieved the respective qualification in the a.y. 2019/2020;

The Research, Innovation and Corporate Relations Division will ascertain possession of the requirements present in the IT archive of Politecnico di Milano.

Art. 4 **How to participate**

Applicants must submit the application using the specific function available from online Services <http://www.polimi.it/servizionline> (Agevolazioni e Convenzioni > Borse di studio, premi di laurea, esoneri, bandi generici [Subsidies and Conventions > Scholarships, degree prizes, exonerations, generic notices]) **within 12.00 noon (Italian time) of 31 March 2021.**

Students who have not achieved the degree qualification (equivalent to a Bachelor of Science) **at Politecnico** di Milano must attach in pdf format, of a maximum 5 MB, by way of the specific procedure:

- self-certification form of the qualification

The form is available at the link indicated above.

The completion of the online application is equivalent to submitting an application for participation in this call for applications, and implies acceptance of its contents.

It is the applicant's responsibility to check that they have properly completed the procedure.

POLITECNICO
MILANO 1863

After having completed and submitted the application, the applicant may print a receipt and the application may no longer be edited. The applicant will, however, have the option of deleting the application and submitting a fresh application before the deadline set out in this call for applications.

Failure to complete and submit the application, submitting an incomplete application or submitting inadequate documents will result in the applicant being excluded from the assessment procedure.

Art. 5 **Assignment of the scholarship**

The assignment of the scholarships is decided based upon a ranking drawn up by the Research, Innovation and Corporate Relations Division.

The ranking will be formulated based upon the score determined by the formula:

**(WEIGHTED AVERAGE x ECTS RECORDED) + ECONOMIC CONDITION
SCORE (at the Call deadline)**

The economic condition score is determined as follows:

2021 ISEE/ISEEU	SCORE
from €0 to €23,120	100
from €23,121 to €27,000	100
from €27,001 to €31,000	90
from €31,001 to €40,000	80
from €40,001 to €51,000	70
from €51,001 to €63,000	70
from €63,001 to €75,000	50
from €75,001 to €95,000	50
from €95,001 to higher amounts	25

To that end, the **valid and compliant 2021 ISEE** (equivalent **ISEEU** for those not earning income in Italy), found in the University's **database by the call deadline** will be considered.

In the absence of a valid and compliant 2021 ISEE/ISEEU the student will be **attributed**, solely for the purposes of this ranking, the **highest ISEE/ISEEU (€95,001)**.

In the case of equal scores, priority will be given to candidates away from home, namely those who do not reside in cities and/or provinces of Milan, Bergamo, Como; Varese, Monza-Brianza.

POLITECNICO
MILANO 1863

If the applicants are still equal, priority will be given to the youngest applicant.

The available scholarships may not all be assigned if the applicants are found to be unsuitable.

The ranking will be posted on the University's website in the section:

<https://www.polimi.it/studenti-iscritti/tasse-borse-e-agevolazioni-economiche/borse-di-studio-e-premi-di-laurea-non-dsu/>

The winners will be invited to a meeting with the donors.

Art. 6 **Renewal of scholarships**

The winners of the scholarships "**Girls@Polimi per le studentesse dei corsi di laurea magistrale**" a.y. 2020/2021 may obtain the renewal of the scholarship for the next academic year if the requirements indicated below are met, maintaining a weighted average of not less than **24/30**:

1st renewal: **enrolment to a.y.2021/2022** on a degree course in Engineering indicated in Art.3 by the deadline scheduled in the academic year calendar

taking and recording in the career at least **35 ECTS** useful for achieving the qualification scheduled by the study plan by 30/09/2021

The aforementioned requirements will be verified by the Research, Innovation and Corporate Relations Division allowing for the automatic renewal of the scholarship.

Art. 7 **General rules**

Accumulation - The scholarship cannot be combined with other scholarships or other forms of financial aid provided by Politecnico for the same academic year of reference to this Call. **The scholarship, on the other hand, can be combined with the Diritto allo Studio scholarship and benefits**, and with the international mobility contributions provided by the Politecnico or by other public or private entities. The scholarship may also be combined with exemptions from tuition fees and contributions.

Revocation: the scholarship may be revoked if the beneficiary has been subject to disciplinary sanctions. Moreover, it will be revoked if the student withdraws from her studies or transfers to another university during the year.

Waiver: in the event of waiver and/or in any case failure to deliver the forms by the winner, the assignment will be transferred to the next suitable applicant in the ranking.

Payment: the assignment of the scholarship and any renewal will be communicated to the winner at the University's institutional email address. Within 10 days from the receipt

POLITECNICO
MILANO 1863

of this communication, the winner must send the specific forms that she receives attached to the award and renewal notification, signed for acceptance.

The scholarship will be paid in a lump sum by Politecnico di Milano.

If the scholarship is not paid in view of the failure by the person entitled to renew the same, the remaining funds will be used to establish a new call.

Tax status: the payments awarded are subject to taxation, in accordance with the legislation in force on study scholarships. The amount paid as a scholarship is considered the equivalent of employment income, and as such is subject to the same taxation. The costs borne by Politecnico di Milano correspond to the IRAP rate amounting to 8.5% of the amount of the scholarship.

Art. 8

Person responsible for the selection process

In accordance with the provisions of Art. 5 of Italian Law, 7 August 1990, no. 241, person responsible for this call for applications process is Dr Ivano Ciceri.
