

ECB Scholarship for women

What are we offering?

15 scholarships of €10,000 per year

A **one-week study visit** to the ECB

Mentoring by a **specialist in your field**

An introduction to the ECB's **"Women in Leadership"** network

Who can apply?

- You are a **woman**
 - You are also an **EU national**
 - You obtained **excellent grades** in your undergraduate degree at an **EU academic institution**
 - You are **currently enrolled**, or **about to enrol**, on a master's course in **economics, computing, statistics or engineering** at an EU university or business school
 - You are facing a **funding gap** that may prevent you from pursuing your studies
- 

Our scholarship programme aims to reflect the **diversity of women in the EU**. If you meet all the criteria, we encourage you to apply irrespective of age, disability, ethnicity, race, religious beliefs, sexual orientation or other characteristics.

When and how can I apply?

You can apply **until 17 May**

You'll need to complete an **online application form** and upload your **supporting documents**

Have a look at **our website** for the full details.
Not sure if you're eligible?
Don't know if your master's programme qualifies?
