|  | concurrent/immediate payment through PagoPA |

Notice: the next payment with payment notice pagoPA can be made online using for example <https://pagofacile.papo.it/web/guest/pagoPA> alternatively, for those who have activated PoliCard banking services, without commission through the related homebanking services.

PagoPa v. 3.0.4 / 3.0.4 Area Servizi ICT

1° OPTION: "subsequent payment with payment notice pagoPA"

If you select this option, you have to save and print out the generated PDF file and go to a bank or other counter desk (with the exception of Poste Italiane) which allows payments by pagoPA, within the Italian territory.

The codes required for the payment are the "Bill Notification Code" and the "Beneficiary Organisation Code", available in this form. Please be informed that the tax code (CODICE FISCALE) of the Politecnico di Milano is 80057930150 while the CBILL code is F9489.

The payment's number is different and unique for each payment.

2° OPTION: "immediate payment through pagoPA"

If you select this option, the payment proceeds immediately through the pagoPA online system.

Selecting the € icon, the following page will show up:

Warning

WARNING

- 1) If you receive the error message "posizione_con_pag_in_corso" when proceeding with the payment, it means that you are trying to pay after a previous unsuccessful payment attempt; we kindly ask you to wait until you will receive an e-mail of unsuccessful payment. Only after you will have received this message you will be able to try to pay again (please, check carefully the data you are typing and if you pay with a card make sure that the credit left is enough for the first instalment payment).
- 2) If you decide to pay with a credit card for first you will have to choose the bank you wish as intermediary; you can choose any of the banks on the list, the only difference is the commission added to the due amount.
- 3) if you choose as payment method "modalità immediata", with credit card or on line bank transfer through home banking, you might be asked to communicate a code associated to Politecnico di Milano, please refer to the following code which is the interbank code or SIA to be used: "F9489".
- 4) if continuing the payment you receive the error message "Non è stato possibile completare il pagamento. Si consiglia di contattare la propria PA. 400". Set your browser language on "Italian".

We suggest you to print this page.

The application provides 2 different payment options: "PAGA ONLINE" and "PAGA PIÙ TARDI".

If you select "PAGA PIÙ TARDI" option, you will be able to print out the PDF and you will have to follow the description.

Selecting "PAGA ONLINE" option, the following page will open:

Login with you email and continue, then flag the option "I agree with the privacy policy" and then click on "Continue".
You will arrive here:

Please choose one of the available payment methods:

"Credit Card/prepaid card/debit card" option

If you select this option, you will be asked to choose one of the available operators. Filter the list of operators who support your credit card circuit (e.g. VISA). You can choose any intermediary, it is not necessary that you have a bank account at the chosen institution. The intermediaries may apply different commissions on your payment.

Enter the data of your credit card:

pagoPA accepts the following credit/debit card circuits

Invalid name and last name, special characters are not accepted

Credit/debit card number

Expiry date (mm/yy)

Verification code

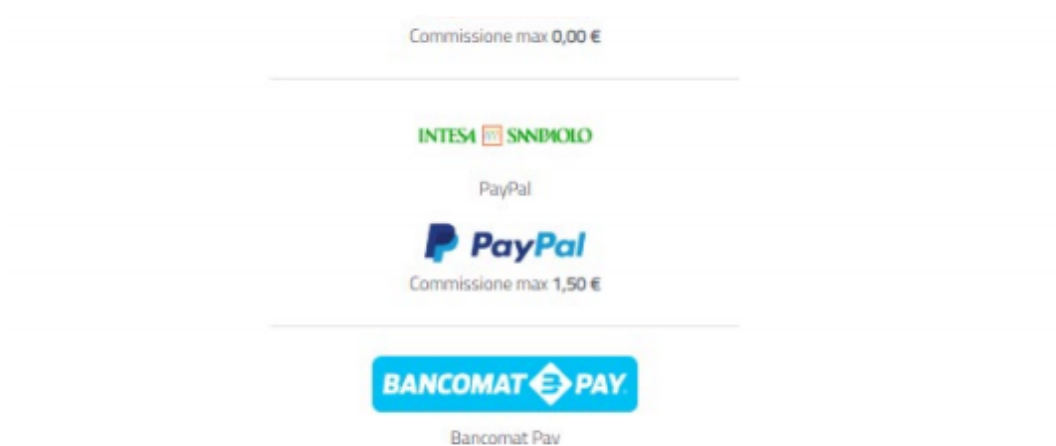

Click on "Continue" and then "Procedi con il pagamento":

Once you have made the payment, within 15 minutes you will receive an email from the Politecnico di Milano which will communicate the result of the payment.

"Other payment methods" option

In case of this option, only Paypal is available for the payments from abroad. The other choices can be carried out only with some of the Italian bank accounts.

After clicking on "Paypal" icon, you have to log in into your Paypal account and proceed with the payment.

"Bank account" option is not available for students paying from abroad.
